## Item 7.01 Regulation FD Disclosure

Sanchez Energy Corporation (the “*Company*”) is currently in advanced discussions with certain of its bondholders and other stakeholders regarding a comprehensive restructuring plan to reduce the Company’s debt and strengthen its overall financial flexibility, although no assurances can be given as to the timing or outcome of this process. In connection with these ongoing discussions, on July 15, 2019, the Company elected to defer making an interest payment of approximately \$35.2 million on the Company’s 6.125% Senior Notes due 2023 (the “*6.125% Notes*”). The indenture governing the 6.125% Notes provides for a 30-day grace period, which expires on August 14, 2019, to make the scheduled interest payment before such non-payment constitutes an “event of default” under the indenture, which would entitle the trustee under such indenture or the holders of at least 25% in aggregate principal amount of the outstanding 6.125% Notes to accelerate the maturity thereof. The Company’s decision regarding how much of the applicable grace period to use, whether to make the interest payment or the election to pursue a restructuring alternative will be evaluated based on various factors, including the results of the aforementioned discussions with its stakeholders.

Attached as Exhibit 99.1, which is incorporated herein by reference to this Form 8-K, is a copy of the Company’s press release relating to its election to defer the 6.125% Notes interest payment and ongoing restructuring efforts.

The information included in this Form 8-K under Item 7.01 and Exhibit 99.1 are being furnished and shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “*Exchange Act*”), or otherwise subject to liabilities of that Section, unless the registrant specifically states that the information is to be considered “filed” under the Exchange Act or incorporates it by reference into a filing under the Exchange Act or the Securities Act of 1933, as amended.

### *Forward Looking Statements*

This Form 8-K contains “forward-looking statements.” All statements, other than statements of historical facts, included in this press release that address activities, events or developments that the Company expects, believes or anticipates will or may occur in the future are forward-looking statements, including, but not limited to, the Company’s ability to successfully execute its business and financial strategies, including a comprehensive restructuring plan and its impact on the Company’s debt or financial flexibility. Such statements are subject to a number of assumptions, risks and uncertainties, many of which are beyond the control of the Company, which may cause actual results to differ materially from those implied or expressed by the forward-looking statements, including, but not limited to, the outcome of discussions with the Company’s stakeholders and other factors described in the Company’s most recent Annual Report on Form 10-K and any updates to those risk factors set forth in the Company’s Quarterly Reports on Form 10-Q or Current Reports on Form 8-K.
